COVID IN-PERSON CONSENT FORM

I assume sole risk of exposure to the coronavirus and any other public health risks. I also agree to adhere to the following precautions to help keep everyone safe:

- Wear a mask while on the premises.
- Notify my therapist if I'm deemed an essential worker.
- Avoid touching my face or eyes with my hands.
- Minimize my exposure between appointments.
- Keep a 6-ft distance from others and not engage in physical contact.
- Wash my hands or use alcohol-based hand sanitizer before entering the office.
- Notify my therapist via phone or text message that I have arrived for my appointment (I will let you in to the building when you arrive).
- Not attend my in-person appointment if I'm experiencing symptoms of any illness or am exposed to someone else who has tested positive for Covid-19 within the past 14 days. (Note, you may elect to schedule a telehealth appointment in lieu of meeting in person if you would still like to meet)

My practice will continue to follow best practices to reduce the risk of spreading the coronavirus.
